## ABOUT THE FOUNDATION

### *Building a better America through Education and Hellenism*

is at the core of the Foundation's mission, and in that spirit, we aim to strengthen our civic fabric and deliver enlightened and engaged citizens.

One of the deepest and most profound roots in Hellenic tradition is education's role in the development of civilization. More than 2,300 years ago, Aristotle proclaimed education is the best provision for life's journey. Respecting this tradition, the PanHellenic Scholarship Foundation strives to promote the development of Greek American college students into outstanding individuals through the support and advancement of their education.

Awards recognize and reward students who have demonstrated exceptional academic performance, providing meaningful support to those students with the greatest financial need. We encourage students to continue their pursuit of significant accomplishments over the course of their lives. Our symbol, "Nike of Paionios," represents our efforts to see Greek American youth triumph in life through hard work, dedication and determination.

## WHO WE ARE

The PanHellenic Scholarship Foundation is a non-profit 501(c)(3) national Greek American organization that recognizes and honors exceptional undergraduate students of Hellenic descent. Through scholarship and educational programs, the Foundation supports their efforts to become significant contributors to society. Founded in 1998 by Chris P. Tomaras, the Foundation has awarded hundreds of deserving students with academic scholarships to date. The PanHellenic Awards are based on academic merit and financial need. Selection of Award Recipients is made independently by an Academic Committee of the Board of Directors. Decisions are based on established criteria.

### **PRIDE, PASSION, PROMISE**

#### **WELCOME TO THE 10<sup>TH</sup> ANNUAL AWARDS GALA!**

Tonight, with great pride, we celebrate the 40 brilliant stars whose outstanding academic achievements have earned them a scholarship award from the PanHellenic Scholarship Foundation. With deep admiration and profound respect, we acknowledge their passion for education and the promise they hold to be tomorrow's leaders. We commend their parents for instilling in them the value of education and the virtues of Hellenism.

It has been an exciting decade. The Foundation has expanded the number of scholarship recipients and is annually awarding a quarter of a million dollars to deserving college students. We have broadened our mission by developing new educational and cultural enrichment programs like Hellenic Birthright. The new PanHellenic Honor Society will bring together past recipients so that they will foster the spirit of Hellenic culture and ideals; stimulate a desire to render service and promote leadership by example.

The mission of the PanHellenic Scholarship Foundation would not be fulfilled if not for your generosity and commitment. Every contribution has a meaningful impact on the future of an exceptional college student. It not only provides the financial resources a student needs, it demonstrates to them that we care, that we support their dreams and aspirations. Their success is our success. You make it possible and you have my heartfelt gratitude.

The next decade holds considerable promise. We invite you to accompany us on our journey toward excellence in education and Hellenism. Together, we will further this worthy endeavor and build a better America. We will see that our "best and brightest stars" soar with pride, passion and promise as the next generation of Greek American leaders.

Once again, thank you for joining us for the 10th Annual Awards Gala. We hope that you will enjoy this wonderful and memorable evening.

OFFICE OF THE ARCHBISHOP

June 16, 2012

Mr. Chris Tomaras, Chairman  
PanHellenic Scholarship Foundation  
17 North Wabash Avenue Suite 600  
Chicago, Illinois 60602

Dear Mr. Tomaras, Members of the Board, Friends and Supporters of  
The PanHellenic Scholarship Foundation and Scholarship Recipients,

It brings me particular joy to extend to you my warm greetings and heartfelt best wishes as you gather for the PanHellenic Scholarship Foundation's Tenth Annual Awards Ceremony and Gala.

*Numberless are the world's wonders, but none more wonderful than man*, chants the chorus in the Greek tragedy, *Antigone* by Sophocles. Within this humanistic worldview of ancient Greek culture, it was education, *morphosis*, that molded the individual and gave dignity to humankind. As Orthodox Christians we believe that human dignity is found in our creation in the image and likeness of God. However, the importance of education continues to pulse in the ethos of our people today and this evening's celebration demonstrates the priority that *paideia* plays in the lives of young Greek American men and women.

I commend you, the funders and supporters of the PanHellenic Scholarship Foundation for your foresight in creating this needed Scholarship Fund ten years ago. My congratulations and best wishes go to this evening's honoree, Mr. Alexander Payne, who provides inspiration to all present this evening as to what is possible through the actualization of one's God given talents and resources. With my best wishes for a festive event and to the Almighty God my prayers that your lives be guided by the grace of the Holy Spirit--your hearts forever resonating the joy of the presence of our Lord, I remain

With paternal love in Christ,

10<sup>th</sup> Annual Awards Ceremony and Gala

Beloved in the Lord,

It is with great admiration and our sincerest congratulations that we greet this year's honored guests and recipients of the great generosity of the PanHellenic Scholarship Foundation at this most auspicious awards ceremony and gala celebration.

For ten years, the PanHellenic Scholarship Foundation has truly blessed our Greek American community in the promotion of educational opportunity, and has certainly lived up to the lofty goal of "Building a Better America through Education and Hellenism"! Much of this is due to the great efforts of our great benefactor and chairman of the foundation, Mr. Chris P. Tomaras who likewise deserves our highest accolades.

But the success of achieving the goals of the PanHellenic Scholarship Foundation also rests on the many young scholars and those members of the greater Greek American community that have been honored over this decade, and we continue to salute them as well. May our Lord and Savior Jesus Christ, by the grace of the Holy Spirit, to the glory of our Heavenly Father, continue to bless the PanHellenic Scholarship Foundation, its benefactors, and all those who benefit, and may all our young scholars honored this evening have many years of success and prosperity!

June 16, 2012

Dear Friends,

From ancient to modern times, knowledge, education and the pursuit of excellence have constituted fundamental elements of the life of the Greek people, regardless of where they reside. Greeks of the Diaspora have placed particular importance on education and have used it prudently not only to improve their own and their families' lives, but to also make a difference in their communities.

The PanHellenic Scholarship Foundation epitomizes these ideals of Greek culture by validating and facilitating this quest for those who have made the pursuit of excellence their life's goal. I commend Mr. Chris Tomaras for this significant initiative and congratulate the Chicago Greek community for supporting this cause, which after ten years continues to be strong and vibrant.

I also take this opportunity to extend my heartfelt congratulations to tonight's honoree, Mr. Alexander Payne, for his diverse world view and the stunning and profound simplicity of his work, and for the fact that he continues to value his Greek heritage.

Last but not least, I congratulate the deserving winners of these scholarships and I urge them to not only to be proud and nourish their Greek heritage, but also to become its ambassadors to other young people and the broader American community.

With my best regards, I wish you all the best in your endeavors.

Sincerely yours,

Vassilis Kaskarelis  
Ambassador of Greece

June 1, 2012

Since its inception, the PanHellenic Scholarship Foundation has promoted the spirit and ideals of Hellenism by investing in Greek American youth. Under the inspiration of founder and chairman Mr. Chris P. Tomaras, the PanHellenic Scholarship Foundation has successfully met its mission in ensuring that through education, the core value of our civilization, these students' hellenic heritage continues to guide and inspire them, in turn allowing them to excel and positively give back to society. Their efforts are to be commended, having understood that "it takes a whole village to raise a child."

With this year's scholarship recipients, the PanHellenic Scholarship Foundation will have reached a major milestone, having awarded a total of \$1.5 million to 227 students. This year also marks another milestone with the launch of *Hellenic Birthright*, which provides Greek American college students the opportunity to visit Greece so that they can reconnect with their roots.

Today, we can look at the many success stories of the student scholarship recipients over the years as evidence that Mr. Tomaras' vision and generosity have ensured that Hellenism will continue to flourish for future generations. I wish Mr. Tomaras and the PanHellenic Scholarship Foundation all the best as they continue to actively play their valuable role within the Greek American Community.

### **PETROS GAITANOS**

Petros Gaitanos is a world renowned singer born in Drama, Greece. Petros studied at the Hellenic Conservatory in Athens under the instruction and guidance of respected vocalist, Manolis Hatzimarkos. His extensive musical studies earned him a degree in Byzantine and European Music.

With over 20 studio albums, Petros has enjoyed global success. His numerous best-selling CD's are available worldwide. He has collaborated with some of the world's most celebrated composers and lyricists including Yiannis Spanos, Christos Nicolopoulos, Arletta, Dionysis Tsaknis, Lavrendis Maheritsas, and Mikis Theodorakis.

In 1995, Petros wrote the score for the film "Orpheus & Eurydice." He has also lent his talents to several theatre and film projects. His award winning album the Ninth Hour (Hora Enati) is comprised of hymns honoring Orthodox Holy Week. This album marked the beginning of his artistic passion for recording Byzantine music. Gaitanos is one of the few singers and song writers who transforms the enlightening power of centuries-old Byzantine music for the enjoyment of today's modern audience.

Petros has also served as the artistic director of the Karipeion Melathron in Thessaloniki, Greece, a historic Ottoman-era building which now serves as the home to the Institute of National and Religious Studies. He has recorded music representing many different cultural regions including Asia Minor, Constantinople, the Aegean, and Pontus.

Petros has the unique ability to blend different styles of music, making him an entertainer that appeals to a wide-range of audiences.

The PanHellenic Scholarship Foundation is delighted to have such a talented singer and songwriter as its guest entertainer for the 10th Anniversary Awards Ceremony and Gala.

## *Paradigm Award Recipient*

## ALEXANDER PAYNE

Alexander Payne's portrayal of extraordinary moments has earned him two Academy Awards for Best Adapted Screenplay, the first in 2004 for *Sideways* and most recently for *The Descendants* in 2012. He has been awarded Golden Globes and received honors from the Writers' Guild of America and the New York Film Critics Circle for his remarkable abilities as a writer, producer and director.

The youngest of three children, Constantine Alexandros Papadopoulos was born February 10, 1961 in Omaha, Nebraska, to Peggy and George Payne. His parents owned a Greek restaurant. He credits his parents for instilling in him an understanding of human life and a true appreciation of his Greek-American identity. His heartwarming acceptance speech at the 2012 Academy Awards and loving tribute to his mother in Greek are indicative of his respect for family and his Hellenic heritage.

Payne received a Bachelor of Arts in History and Spanish literature from Stanford University and a Masters of Fine Arts from the UCLA Film School in 1990. His thesis film, *The Passion of Martin* garnered interest from inside the film industry and was shown at Sundance. He made his film debut with *Citizen Ruth* in 1996, which was shown at the Sundance Film Festival as a feature film. The movie earned him several awards, including the "New Generation Award" from the Los Angeles Film Critics Association.

In 1999, Payne received the award "Best New Director" from the Valladolid International Film Festival for his second major motion picture, *Election*. In 2002, *About Schmidt* received critical acclaim and won a Golden Globe for Best Screenplay. Payne has directed five actors in Oscar nominated performances – Jack Nicholson, who received his second Oscar for Best Actor in *About Schmidt*, Kathy Bates, Thomas Haden Church, Virginia Madsen and George Clooney.

The PanHellenic Scholarship Foundation is proud to present the 2012 Paradigm Award to Alexander Payne in recognition of his outstanding life accomplishments, his dedication to the virtues of Hellenism, and for being a role model to young Greek American scholars.

# HELLENIC BIRTHRIGHT

## THE JOURNEY OF A LIFETIME

June 18 - July 20, 2012

*Hellenic Birthright* is a unique educational and cultural enrichment program for Greek American college students living in the United States, who have never been to Greece. Connecting American students of Hellenic descent with their ancestral birth place, *Hellenic Birthright* offers a uniquely tailored educational program and cultural activities that blend academics, art, architecture, and history.

This program enables participants to experience everyday life in Greece, while broadening their education through accredited college courses. The inaugural year of *Hellenic Birthright* is being launched in collaboration with Anatolia College and their school of Higher Studies, the American College of Thessaloniki (ACT).

The PanHellenic Scholarship Foundation expresses its gratitude to the generous donors who have helped make *Hellenic Birthright* a reality.
